## REFRAIN

The best of all our na - tion will miss you, — It's the girl who is true ev-'ry

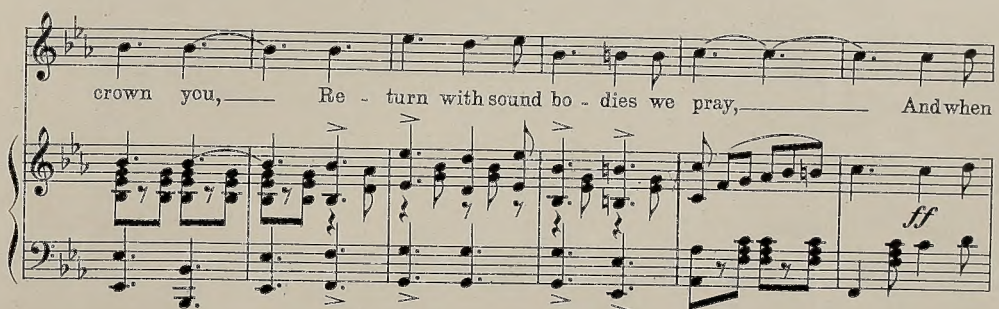

day, — Her moth - er will knit for your feet Sir, — But this

girl will be yours work or play Come back with fresh laurels to—

crown you, — Re - turn with sound bo - dies we pray, — And when

you come back she will wel - come you Jack, For she is the girl who is

wait - ing, — while you are far a - way.
